Special problems in corrections (Book, 2008) [WorldCat.org]

Special Problems in Corrections, First Edition, sets out to identify the most pressing issues affecting the correctional system today. Maintaining a solutions-focus, the book organizes problems into two distinct categories: those impacting the convicts and correctional facilities and those impacting the correctional officers and administrators.

Special Problems In Corrections

Sets out to identify the most pressing issues affecting the correctional system today. Maintaining a solutions-focus, the book organizes problems into two distinct categories: those impacting the convicts and correctional facilities and those impacting the correctional officers and administrators. It examines long-standing, and emerging issues from a critical perspective, grounding discussion ...

Special Problems in Corrections - Jeffrey Ian Ross ...

There are limited high-security facilities that can safely house the most dangerous inmates. This problem is worsened by the fact that new high-security facilities, which are needed to disperse overcrowding, are rarely built because they are expensive.  
2. Funding gaps. No matter how good the economy, corrections rarely sees an increase in funding.

Critical issues impacting corrections in 2019

Special Operations Response Teams are a group under the US Federal Bureau of Prisons, or BOP for short, a component of the US Department of Justice. The BOP is responsible for maintaining the custody of anyone convicted of committing a federal crime. To achieve this goal, the BOP maintains a number of correctional facilities, which are divided into six regions, throughout the US. These facilities house approximately 211,195 inmates of varying security levels. Facilities are designated as either
