Directed by Ryan Fowler, Robbie Ribspreader. With Laurence R. Griffin, Mia Chiarella, Lily Thalassa, J. Mooy. Just when novelist Jack Jones is about to give up his career as a novelist due to his increasing writer's block, a mysterious jar of blood appears on his doorstep. The events that unfold not only get his creative juices flowing, but leave a trail of blood in Jack's wake.

**The Midnight Disease (Video 2010) - IMDb**

Why is it that some writers struggle for months to come up with the perfect sentence or phrase while others, hunched over a keyboard deep into the night, seem unable to stop writing? In The Midnight Disease, neurologist Alice W. Flaherty explores the mysteries of literary creativity: the drive to write, what sparks it, and what extinguishes it.

The Midnight Disease 07 Feb. I have a confession to make: I suffer from hypergraphia, a disorder otherwise known as the Midnight Disease. No, it is not life-threatening. Nor does it challenge me in carrying on my everyday life. But it is a very real brain abnormality. And – really – it explains a lot about me. Hypergraphia: The driving compulsion to write; the overwhelming urge to write ...
