~~The Other Side (novel) — Wikipedia~~

'The Other Side' is a collection of thirteen tales of the paranormal; a world that our eyes refuse to see, our ears deny hearing and our senses ignore the feel of. This is a book for someone who is brave enough to take up this invitation to journey through uncharted waters along with the authors, who were inspired by some bizarre experiences to pen down this work where the lines of reality have been blurred by the footsteps of imagination.

~~Book Review: The other side by Faraaz Kazi & Vivek Banerjee~~

"The Other Side" by Faraaz Kazi and Vivek Banerjee is a collection of thirteen paranormal stories. The blurb and excerpts seek to establish the collection as belonging to the horror genre. To me, though, not all stories are actually horror stories in the collection unless a reader feels that the very existence of the paranormal in the 'real' world is horrifying.
