Absolutely loved The Tiger's Ambush by Tate James!! In this 3rd installment of the Kit Davenport series, we finally get some answers to questions that have been on readers' minds since Book 1 (and new questions pop up to keep us on our toes haha). More steam and tension in this one, loved every minute of it.

~~Kit Davenport Series by Tate James - Goodreads~~
The story continues in The Tigers Ambush and Kit and the boys discover more about what she is and what they are. The action continues as does the romance and the steam factor gets high. For a fairly new author Tate James is doing an amazing job of telling a rich, multi dimensional story that will suck you in and drag you along for the ride and nowhere along the way are you going to want to get off it.
